THE POINT

HICKORY STAR VILLAGE & MARINA

Now you can own an affordable vacation home on Norris Lake.

Welcome to The Point at Hickory Star Village & Marina. The Point is a new recreational neighborhood of affordable cabins located adjacent to the 75-year-old Hickory Star Marina on Norris lake in East Tennessee. The Point and Marina are now being developed and refurbished into The Hickory Star Marina and Village. This resort community, adjacent to the blue-green water of Norris Lake in Tennessee, offers these new vacation homes as well as a full-service marina, camping, a swimming pool, a mountain inn, a restaurant, and the watersports that come with life on the lake— fishing, boating, swimming and skiing.

This fantastic weekend resort community is now under the management of Carlsberg Management Company of Los Angeles California.
